October is [National Arts & Humanities Month](#).

Here is [President Biden's proclamation](#).

Here is [Governor Evers' proclamation](#).

## **QUOTE OF THE DAY**

"Wisconsin's Tourism industry would not be what it is without our vibrant arts and culture scene throughout the state, and Governor Evers recently recognized [October as Arts and Humanities Month](#). Even in the face of unprecedented challenges, our state's artists and arts organizations have found new and innovative ways to deliver exhibitions, performances, programs and services to fellow Wisconsinites and travelers. We recognize and celebrate the thousands of Wisconsinites and organizations, including our partners at the Wisconsin Arts Board, who cultivate the best of our creative industry and help to attract even more visitors to discover the unexpected in our state." – Anne Sayers, Secretary-Designee, Wisconsin Department of Tourism

"The theatre is the involuntary reflex of the ideas of the crowd." – Sarah Bernhardt

"We cannot consider art-making without also considering the circumstances in which the art is made. We must work together to create systemic change, change that ripples across all the parts of our lives, personal and professional. We can surely celebrate the work that has happened - and we should - but we also need to recognize that the work is not done." – [Alice Sheppard](#)

"I don't think any one person, whether artist or not, has been given permission by anyone to put the responsibility of the way things are on anyone else." – Robert Rauschenberg

“The highest levels of performance come to people who are centered, intuitive, creative, and reflective - people who know to see a problem as an opportunity.” – Deepak Chopra

“The test of a first-rate intelligence is the ability to hold two opposed ideas in mind at the same time and still retain the ability to function. One should, for example, be able to see that things are hopeless and yet be determined to make them otherwise.” – F. Scott Fitzgerald

“Humanity has advanced, when it has advanced, not because it has been sober, responsible, and cautious, but because it has been playful, rebellious, and immature.” – Tom Robbins

“The trouble with being punctual is that nobody’s there to appreciate it.” – Franklin P. Jones
